THE NOD

A CRADLE BOAT DESIGNED AND BUILT BY WILLIAM GARDEN

The NOD

\$15,000 CAN

LOA ~ 36"
LWL ~ 30"
Beam ~ 23"
Draft ~ 2"

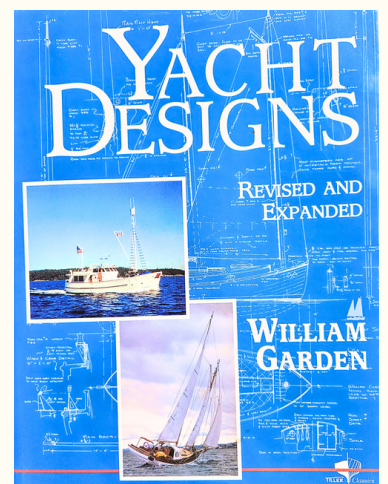

Designed & Built by William Garden for his grandsons

This sturdy little boat was launched in 1994 with a Teddy Bear at the helm for it's trial run just off Toad's Landing in Sidney, BC. She went on to spend the next 30 years on land indoors and remains in original, pristine condition.

More information about this little boat can be found featured in William Garden's 1998 book where it is profiled under Row Boats, pages 8 - 12.

She is now in Victoria, BC and available for sale complete with oar, custom sail and a cradle stand for display. Please note this is a collectors item and is not a toy suitable for children.
